Sindhu Construction Products & Services (SCPS) warrants to all original purchasers of Weldrite products that all new Weldrite products shall be of good quality and free from defects in material and workmanship for the duration of the product's shelf life. If any Weldrite product becomes defective within the stated life of the product, or fails to conform to this written limited warranty under normal use and storage conditions, and if the original purchaser complies with the terms of this limited warranty, then Weldrite will, without charge, replace the non conforming product. It is expressly stated that under any circumstances whatsoever, the liability shall be limited to free replacement of the product.

However, this limited warranty shall not extend to, nor shall SCPS be responsible for, damages or loss resulting from accident, misuse, negligent use, improper application, or incorporation of Weldrite products into other products.

Any defective Weldrite products shall be replaced pursuant to the terms of this limited warranty by returning the defective product, with transportation charges prepaid, to SCPS at the address communicated at that time.
